POLICIES

Himalayan Discoveries is an occasional publication of the Society of Himalayan Studies in Finland (SHSF), presenting articles of scholarly interest on Himalayan culture and civilization. Opinions expressed by contributors do not necessarily reflect the views or policies of the Editors, the Advisory Board or the SHSF. Responsibility for the accuracy of the views expressed and the materials presented rests entirely with the authors.

COPYRIGHT

Except where otherwise declared, the copyright of the entire contents of the *Himalayan Discoveries* is under SHSF's control. In case of reprint usage, the SHSF must be informed and thereby the source credit must be given to the authors of the individual articles and to the journal.

The Society of Himalayan Studies in Finland is a scholarly association that aims at promoting research connected with the Himalayan area, and the languages and cultures of the region. It was founded in February 2007 and became a registered society in July 2007.

The society arranges scholarly events such as seminars and lectures, as well as other events for scholars, students, and other people interested in Himalayan studies, in order for them to meet and exchange their views and ideas.
